

WaterMark

Certificate of Conformity

Pro-Switch Pty Ltd grants to the WaterMark Approved User:

Jacknel Pty Ltd

Trading as Filter Systems Australia

The right to use the WaterMark as shown above in conjunction with the Certificate No. on product/s as identified in the WaterMark Schedule and as listed on the WaterMark database www.abcb.gov.au/Product-Certification/WaterMark-Certification-Scheme which have been shown to comply with the appropriate Applicable Specification referred to below and as amended from time to time. The WaterMark User is granted a licence to use the WaterMark subject to the rules governing the use of the WaterMark.

Product Type:	Drinking Water Treatment Systems and Components
Product Use:	Water Supply
Brand:	FSA / HPF
Certification Specification:	AS 3497:2021 Drinking water treatment systems—Design and performance requirements
Conditions or Limitations:	To be installed in accordance with Plumbing Code of Australia (PCA)

Issue Date: 21st April 2026
Initial Issue Date: 15th December 2016
Expiry Date: 3rd October 2028

Simon Clarke
General Manager

Certificate No.: 23247

This Certificate is issued by a JAS-ANZ accredited certification body. The ABCB and JAS-ANZ do not in any way warrant, guarantee or represent that the product the subject of this Certificate conforms to the WaterMark Certification Scheme Rules, nor accepts any liability arising out of the use of the product. The ABCB disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages and costs arising as a result of the use of the product(s) referred to in this Certificate. The WaterMark Certification Scheme is a conformity assessment scheme based on ISO/IEC 17067. This Certificate may only be reproduced in its entirety.
